Your Supporter Reference is 3065929

Dear Frances & Diana,

Thank you so much for your recent donation of £7,000.00 from Tax Relief and additional donations. Making your overall total an incredible £22,000 this could fund a full-time Outreach Nurse for six months to provide ongoing support for young people with cancer – helping us reach everyone in the UK who needs us, no matter where they're based – **THANK YOU!**

Every day, seven young people aged 13-24 hear the words "you have cancer". Cancer can throw their lives into chaos. Even for those who recover, it can have a lasting impact on their futures. Without Teenage Cancer Trust, they might not get the clear communication, sense of control and individual support they need throughout a potentially life-threatening illness. And they might never meet another person their age who knows what they're going through. Teenage Cancer Trust is the only UK charity dedicated to providing this specialised nursing care and support.

Your support helps us to make sure specialised Teenage Cancer Trust nurses, support teams, and hospital units are there for them, throughout their cancer treatment and beyond. Thank you!

If you ever want to check your current communication choices or change how we keep you informed about our work and other ways you can support young people with cancer please get in touch with us by phone, email or through our contact us form on our website. We'd love to hear from you!

We will only communicate with you if you tell us, you are happy to hear from us. For more information on how we use your data, please see our Privacy Policy on our website at www.teenagecancertrust.org/privacy-policy.

Whatever the crisis, we won't stop - can't stop - being there for young people with cancer!
With best wishes

Judith
